

Dear New England Brown Swiss Breeders and Enthusiasts,

The last two years have been a tough one for all of us. As 2022 is beginning, it is starting on a good note with COVID going down and milk prices going up! I would like to thank everyone who helped out at last year's convention which turned out really well! The food was great and the auction was a huge success.

Please continue to be a part of the NEBSA. Your support is needed. The annual dues for NEBSA are due by April 15, 2022. By being a member, it reduces your cost of registration at the national office. These funds help support our youth with awards and promotional items for them.

A reminder to all youth, if you are leasing animals, your paperwork is due in the national office by June 1, 2022.

We look forward to seeing everyone this summer at the shows!

Thank you,  
Bob Gould
